A pale red colour with an orange hue. Fresh figs give way to dried orange peel and an herbaceous lift. Structurally linear with a long and pleasant finish.

Suitable for vegetarians / vegans: YES

#### VINIFICATION

Whole cluster Pinot Noir fermented in concrete and topped up with whole bunch pressed Pinot Blanc juice. Inspired by French winemaker Daniel Sage, a marriage of carbonic and non-carbonic fermentation. Pressed after five days of maceration. Aged in concrete for six months, racked and bottled by gravity with a small sulfur addition.

#### GRAPE HISTORY

Grown at Crouch Valley, Essex. Conventional, but low input viticulture.
